

Let's Talk

LMI

START

1

What are the types of careers you might want to pursue when you are older?

What are you interested in?
Why are these important to you?

3

How can you find out about career opportunities in these or similar fields?

How can you learn about employment opportunities or prospects?
Where are they? The salaries?
What other options could be available that may complement or be similar to these?

5

How do you know if these careers will be able to support the lifestyle you would like to have?

What type of lifestyle is important to you?
What do you think this lifestyle will look like? (location, hours of work, family, etc.)
How can the salary associated with these careers impact your ability to have this lifestyle?

2

How can you find out about these careers?

What do you need to know to determine if you could be a good fit for these careers?
What courses would you need to take in high school?

What post secondary qualifications/education/training would be expected?
What costs would be associated with this?

4

How do you think these careers will bring meaning or value to your life?

What do you think you would like to accomplish in work and in life?
Why is this important to you?
How do you think you will be able to do this?
