

myBlueprint Sign Up Instructions for Newfoundland and Labrador

Teachers need to be aware that activation codes are no longer required for myBlueprint account creation. Steps for setting up accounts are as follows:

- Choose the appropriate link for your region
<https://myblueprint.ca/eastern>
<https://myblueprint.ca/western>
<https://myblueprint.ca/central>
<https://myblueprint.ca/labrador>
- Click on **Sign Up** at the top of the page
- Select your school from the dropdown list. (If your school does not appear in the list, select “Region Elementary School” from the top)
- On the next page, choose your role within the school (teacher, counsellor, family member, or student)
- Enter the grade range.

Once the account is created you will be able to create classes and get students registered for their own accounts. We recommend using nlesd.ca accounts for all registrations.
