

BRUNSWICK STREET MISSION

OUR MISSION

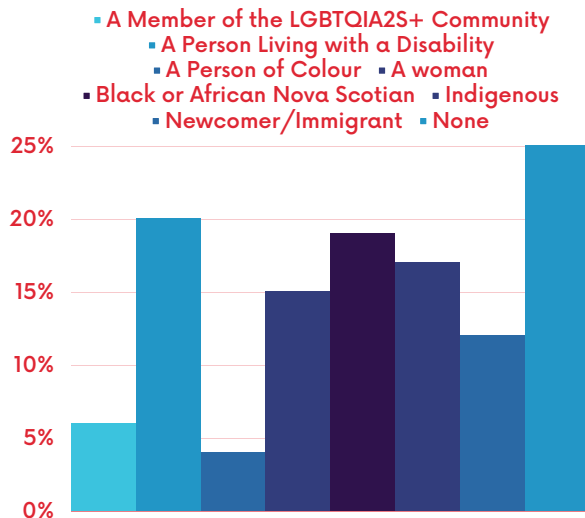

To inspire a better quality of life through a ministry of care that addresses physical emotional, practical, and spiritual needs for those experiencing poverty.

OUR COMMUNITY

We welcome people from a variety of backgrounds and lived experiences. What is not unique among them is their income level.

Over 90% of people in our community live on less than \$25,000 per year.

Almost 60% live on less than \$15,000. The average cost of a one-bedroom home in Halifax is \$1,355. Rising prices hit our community disproportionately hard.

OUR PROGRAMS

BREAKFAST PROGRAM

Brunswick Street Mission provides a hot breakfast Monday - Saturday to our community.

Over 10,000 hot meals are prepared and provided annually, and we are preparing for over 15,000 in 2022.

FOOD BANK

Brunswick Street Mission provides a choice model food bank to the community.

We have experienced a dramatic increase in the number of visits to our Food Bank in the first half of 2022, serving over 750 more grocery bundles between January and July than last year.

TRUSTEE

Our trustee manages the finances of over 90 clients, assisting with bill payments (ie. rent, utilities) and ensuring remaining money is delivered to the client.

TAX CLINIC

Working with volunteers, we provide tax filing services for low-income individuals. We continue to file taxes for over 1000 clients through the year.

ANNA MARIA TREMONTI

Until very recently, listeners from around the world were privileged to listen to Anna Maria Tremonti's compelling interviews each & every day on Canada's most popular radio program, "The Current".

As one of Canada's most respected journalists, Anna Maria Tremonti has a reputation for being fearless and hard-hitting. She's reported from some of the world's most dangerous conflict zones, but none were as immediately threatening as her life at home.

Based on her CBC podcast, *Welcome to Paradise*, Tremonti opens up about a long-held secret — that she was once married to a man who abused her. She tells us about confronting that past and how it shaped her career as a journalist.

The result is a profoundly intimate portrait of a powerful woman confronting the source of tremendous pain and trauma and, remarkably, freeing herself from a life-long sense of shame.
