

**Brunswick Street
Mission**

*Investing in Brunswick Street Mission will support
our commitment to helping people experiencing poverty.*

Brunswick Street Mission understands that making a gift in your will is a very personal decision. These decisions must match the values you have believed in throughout your life. We understand and respect any decisions you make and will respect your wishes - this is the commitment we make to you.

Brunswick Street Mission respects your privacy. All information we collect, related or unrelated to your gift, will be held in the strictest of confidence.

We understand that your family and loved ones will always come first.

We are dedicated to inspiring a better quality of life for people experiencing poverty and encourage people to consider a gift in their will to Brunswick Street Mission.

We recognize that this is your decision and you will make it in your own time.

We would love to hear from you when you have made the decision to include Brunswick Street Mission in your will. We would like the opportunity to thank you, but you are not required to let us know.

You have the right to change your mind about gifts in your will. You have the right to ask questions. You have the right to receive a prompt and truthful response to those questions.

Unrestricted gifts or gifts that allow us to use the funds for programs with the greatest need are the most flexible type of gift. However, if you want to direct your gift to a specific program, we will work with you and your lawyer to find the appropriate wording, enabling your gift to make a difference.

We will use your gift to complete our work in an accountable and cost effective way, ensuring we have the greatest impact on those experiencing poverty in the HRM.

We will handle your gift and your wishes with care, sensitivity and respect.
