

# Field to Fork.

The agri-business industry in Nova Scotia continues to evolve to meet the growing consumer demand for farm fresh and organic fruits and vegetables. At Caldwell Roach Insurance, we work with food growers, farmers and distributors to ensure they have the insurance coverage they need.

If you are, or are thinking of, growing your own produce to sell on your property or at a Farmer's Market, or have a hobby farm, your current homeowner's insurance policy won't provide you with the protection you need.

Our team invests the time to find the best coverage for the most unique situation - **YOURS**. You are passionate about your business, and we are too!

Call our team today, 1-888-511-0777.
