### Volunteer Commitment

The PCA is a volunteer organization. To maintain the viability of the club we depend on members to support us in areas such as club administration, event planning, equipment maintenance, mentoring/coaching, race organization, website/social media, fundraising and grants. Members (or parents of youth members) will be required to commit to a minimum of 8 hours of volunteer time with the club per season. If you choose not to do those hours, then a fee of \$50 will be added to your next year's dues. You can fulfill your volunteer hours in a few different ways:

- Attend one of the main spring or fall work parties
- Help out with a club event (which includes transportation of equipment and supervision at events)
- Become a member of the board or a member of one of the committees do those hours
- Complete tasks on a posted to-do list at the boathouse

There will be a sheet at the boathouse to record volunteer hours.
