

Join Our Smile-Making Team at Bedford Orthodontics!

Are you a Dental Hygienist looking for a fresh start where your skills and energy are truly valued? Bedford Orthodontics is excited to welcome new teammates who want to make a difference in patients' lives while enjoying flexibility, collaboration, and professional respect.

Why You'll Love Working Here:

- Flexibility that fits your life – full-time, part-time, or temporary options
- Support & mentorship – new grads welcome, with training provided
- Work-life balance – predictable hours and no evenings or weekends
- A positive patient impact – help build confidence, one smile at a time

What You'll Do:

- Deliver orthodontic hygiene care with empathy and precision
- Support patients through treatment with education and encouragement
- Work with your team to create a fun, respectful, and caring environment

What You Bring:

- Dental Hygiene Diploma/Degree + active provincial registration (good standing)
- Has successfully completed dental hygiene orthodontic education through a basic dental hygiene program or a post-diploma education course
- Enthusiasm to learn and contribute – orthodontic experience is a bonus but not required
- Strong communication skills and a passion for patient care

We know the demand for great hygienists is high – so we're committed to making Bedford Orthodontics a place you'll be proud to work. **Apply today to start a conversation, even if you're just exploring your options and want to talk!**
