Re: Indigenous Programming in Your Community

Attention All Member Clubs:

Canoe Kayak BC is happy to be able to offer various paddling opportunities throughout the province to a variety of individuals of different demographics. CKBC has a strong relationship with the Indigenous Sport, Physical Activity & Recreation Council (ISPARC) and a variety of Indigenous communities, that have allowed us to develop Indigenous programming both at the community level and the High Performance level.

As such, CKBC is dedicated to continued growth of the sport of Canoe/Kayak in Indigenous communities, and would like to make all clubs aware of the program opportunities that exist in the Indigenous Stream of sport.

For more information on how to provide Indigenous programs at your club or in your community, please consider attending the [Indigenous Programs webinar](#) on

Wednesday, March 18th 2020 at 7pm in the comfort of your own home.
