Re: BC Summer Games Zone Trials Announcement

Attention All Member Clubs, Coaches & Athletes:

Canoe Kayak BC is passionate about developing athletes, coaches and officials in the sport of Canoe/Kayak, and the BC Summer Games is one of the major stepping stones in many individuals paddling careers. This year, the 2020 BC Summer Games will be held in Maple Ridge on July 23rd - 26th 2020. In addition to our mainstream athletes (U14 to U16), we will also be welcoming Indigenous athletes(U14-U16) and Para/Paddle-All (30 years and younger) athletes to the Games this year.

CKBC would like to thank the 2020 BC Games [Coaches and Zone Reps](#) from each Zone as well as any officials who will sign up for this event, for volunteering their time and effort to make these Games a success for all these athletes.
