## QUICK FAQ

### **CAMPER AGES?**

Our Full Day camps are for children ages 5-12 & our Half Day Camps are for ages 3-5.

### **ARE THEY DIVIDED BY AGES?**

Yes, campers are divided by age. However, there are many camp-wide activities.

### **DO THEY GO OUTSIDE?**

Yes, campers go outside multiple times a day weather permitting. On days when there are heat warnings, or inclement weather, the camps may spend less time outside.

### **MY CHILD ISN'T A STRONG SWIMMER...**

We have a coloured wristband system to help us identify campers who are not strong swimmers, okay swimmers, and great swimmers! Each day campers are given a wristband to wear so our camp staff and lifeguards know who many require extra help! Swim tests will be the first day of camp!

## Medical Conditions

When registering your child, please provide relevant medical information. If your child has a severe allergy that results in severe symptoms or has a medical condition that may require the emergency administration of medication, please outline this in your medical history.

## Medications

If your child requires medication to be administered by Camp Staff, please let the staff know at the beginning of the day, fill out the forms to arrange proper procedures, and complete the documentation. We will only accept daily dosage amounts and will not keep a full week's worth of medications. Campers must be able to take medications independently with only supervision from staff.

## Injuries

All camp staff are certified in First Aid and child CPR. Staff on-site will deal with minor bumps, bruises, cuts, and scrapes. Cole Harbour Place also has lifeguards and security with advanced first aid training who can assist. In the event of a serious injury that requires an ambulance, one will be called immediately, and parents will be contacted as soon as possible.

## Attire

Comfortable, moveable clothing. Sweatpants, t-shirts, tank tops, sweaters, and running shoes are all acceptable.

## Footwear

**Please pack sneakers** for day camps. It can be difficult to participate in all activities without proper footwear. Open sandals, Crocs, and flip-flops cause difficulties when running during a game or going on a walk. Also, these tend to be kicked off in favour of bare feet. We will insist that the children have something on their feet at all times when not in the pool areas. PLEASE NOTE CAMPERS WILL BE WEARING THEIR SHOES ON WATER DAY, THIS WILL RESULT IN WET SHOES.

## Breaks

Our camp day includes two snack breaks & a lunch break. For the safety of all our campers, we ask that no peanut products enter the facility. Please make sure your child has enough snacks & a big lunch. CAMPERS MUST bring a REFILLABLE water bottle.

## Sunscreen

To ensure the safety and well-being of all our campers, we have implemented the following sunscreen policy:

1. Morning Application: Parents/guardians are required to apply sunscreen to their child(ren) every morning before coming to camp. This initial application should be done thoroughly to provide protection from the start of the day.
2. Reapplication: Our camp leaders will reapply sunscreen to all campers before they go outside for activities throughout the day. This is to ensure continuous protection from harmful UV rays.

We appreciate your cooperation in helping us keep all campers safe and sunburn-free. If your child has specific sunscreen needs or allergies, please inform our staff so we can accommodate accordingly.

# Summer CAMP

## What to bring:

- Knapsack or bag to carry personal items.
- Lunch & LOTS of snacks (IMPORTANT: peanut & nut-free environment)
- Water Bottle
- Jacket & Hat for sun protection
- Running indoor & outdoor shoes (no sandals)
- Sunscreen (please apply before coming to camp)
- Extra change of clothes (WATER DAY)
- Bathing Suit & towel

Label all belongings with your child's full name. Leave toys, electronic devices, and other valuables at home.

**WATER DAY WILL REQUIRE ALL CAMPERS HAVE AN EXTRA CHANGE OF CLOTHING. To avoid sunburns we ask that all campers pack an extra change of clothing on Water Day. Campers will not be wearing their bathing suits outside. If your child forgets a change of clothing they will be wet upon pick-up. Campers will also be wearing their shoes outside and they will get wet. Water Day is usually Thursday- weather permitting please check with staff. Please send your child with sunscreen on, we will re-apply before going outside.**

## Campers **MUST** leave the following items at home for safekeeping:

- iPod/Tablets/Phones
- Video Games
- Money
- Toys from home
- Anything you value and do not want to get lost or others to use

CHP is not responsible for any lost or stolen items. Should you need to bring any valuable items such as money or cell phones they must remain in your child's bag. Please leave all valuables at home we cannot guarantee it's security.

## Lost & Found

There will be a lost & found area set up for the end of each day to display any items left from the day's activities. Please label everything your child is bringing from home so it can make its way back. We do tend to have mystery items that appear at the end of the day that no one seems to claim. Upon signing your child(ren) out, parents please check the lost & found table.

Camp staff will go through the items at the end of the day and show campers everything to try and get it matched to the owner. At the end of each week, anything left unclaimed will be placed in the Aquatics Lost & found.

**Early Pick-up**

If you need to pick your child(ren) up early, please contact the Day Camp Manager at 902.464.5106 or email recreation@coleharbourplace.com. If it is an emergency please call 902.464.5100.

**Sign In/Out**

A parent or guardian must sign the child in at drop off and sign out at pick up. Anyone else listed on the Child Information Sheet may sign in or pick the child up. If you require someone other than the names on the Child Information Sheet to pick up your child(ren), please call 902.464.5100 and leave a message for the Day Camp Supervisor or email recreation@coleharbourplace.com. The person coming will be required to show I.D to Camp staff when picking up the child. **PLEASE BRING YOUR ID TO CHECK OUT YOUR CHILD.**

**Inclement Weather**

Please ensure your child(ren) is/are equipped with gear for wet/cold & hot weather. We will take children outside, from time to time. Should a storm facility closure occur, families will be notified via email and phone. It will also be posted on Facebook & Instagram.

**Zero-tolerance**

We would like to remind parents that camp is a zero-tolerance for violence and bullying. If there is a discipline or behavioral problem with a student, the parent/guardian will be contacted. If the problem continues, the program coordinator has the right to expel a student from the program with zero refunds.

**Vending Machine**

Campers are not able to use the vending machine during camp hours. If parents/guardians wish to purchase something for them at drop off or pick up that is permitted, but staff will not be taking campers to the vending machines

# INCLUSION SUPPORT

## How do I know if an individual will require extra support?

When assessing whether a One-to-One Inclusion Support Person is required, please consider the following:

- Is extra support required at school and/or in the community?
- Is extra help required at home for basic care?
- Is there an existing physical, medical, behavioral, and/or developmental disability that could affect the safety and enjoyment of the participant and/or other participants?

## What support CHP cannot offer:

Cole Harbour Place staff are not qualified to carry out procedures such as catheterization, tube feeding or assisted feeding, suctioning, injections, and/or managing aggressive behaviors. In these cases, we require families to make alternative arrangements. Any medications that are required must be taken independently by a child under the supervision of an Inclusion staff member. Participants must also be able to use the washroom independently.

## OUR INCLUSION STAFF WILL

- Provide 1:1 support during regular camp hours 8:30 AM – 4:30 PM
- Swim each day with your child
- Make accommodations and adaptations specific to your child's needs to ensure they are fully included in Summer Camps
- Request daily communication check-ins from parents
- Report end of day feedback to parents

**MUST PRE-BOOK  
SPACES LIMITED**

**INCLUSION** is assuring that all people have the same opportunities to engage in meaningful experiences and build meaningful relationships. When these beliefs drive every aspect of programming, **EVERYONE** benefits – not only kids with disabilities, but also their peers, their families, your staff, and the community as a whole. It is our goal at CHP to offer a fully inclusive summer camp experience.
