WELCOME NOTE

Welcome letter from our General Manager

Welcome to Cole Harbour Place and our upcoming summer swimming programs. We are excited to be able to offer some new programs and expand some of our schedules in the upcoming seasons. As always, the health and safety of our members, users, and staff is our priority.

While we are still battling the COVID-19 pandemic, additional measures and changes in services are still in place. We understand that these measures can pose difficulties for everyone in the community, but we are focused on how we can all work together to bring CHP safely back to life and to the community. Now more than ever we need physical activity and social connections, and we want to be there for you to help along the way.

Know that we take safety very seriously and work it into all of our course plans. We want to thank all of our members and guests for helping us be better each day and pushing us to improve our services for you and our community.

Sincerely,

JEN HEDDON

General Manger

Cole Harbour Place, the Home of Sidney Crosby and Nathan MacKinnon, is a state-of-the-art multi-use facility located in Cole Harbour. Since 1988, we have offered a wide range of services to the community. Two arenas, aquatics complex, squash courts, fitness centre, community meeting rooms, community services, a library, canteen and Integrated Health Services have positioned Cole Harbour Place as a true community facility. The Canada Games legacy includes a new zamboni, score clocks and glass, dressing room and referee room upgrades and a new rubber flooring throughout the arenas.

COVID-19

COVID-19

The health and safety of our staff and patrons is our top priority. For more information on how we are working to keep you safe, please read the Return To Play Plan on our website. Additionally, we are posting regular updates on our website, and social media.

Programs, activities, schedules, and classes are subject to change without notice. Please refer to our social media and website for up to date changes to our schedule. Due to Covid-19 some programs and services are currently not available or delayed in starting. Please note, due to the risk of COVID-19, the information in this program is subject to change at any time. We are not accepting any walk in registrations for programs.

Health screening questions:

- Have you travelled within the past 14 days to somewhere that requires you to self isolate upon return home?
- Are you currently experiencing any symptoms of Covid-19?
- Have you been in contact with any confirmed cases, or have you had a confirmed case of Covid-19 within the past 14 days?

If you answer yes to any of these questions it will be recommended that you call 811 for further screening, and you will not be permitted to enter CHP at that time.

There may also be a waiver required for those using the facility.

MASKS ARE MANDATORY

We are not currently selling day passes as we once used to as timeslots are required to be booked in advance to allow us to follow Public Health guidelines and ensure contact tracing. Therefore, we do have fees for different activities that will grant you access to a specific timeslot for that activity.

Please book your timeslot online through HRM Rec. Please visit halifax.ca/myrec to create or sign in to your HRM Recreation account.
