

CHP Day Camps Mask Policy

As of Friday July 31st, 2020 masks are being made mandatory in all indoor public spaces in Nova Scotia. Our day camps are an exception to this rule as we are inside a public space, but the camps themselves are inside their own area closed away from the public. For this reason our campers will not have to wear masks while attending camp.

For Drop-off and Pick-up purposes, parents and guardians will be expected to wear masks inside of the building. If you have to pick your child up earlier than the drop-off and pick-up times, you will be expected to wear a mask if you are coming inside the building.

Our day camp leaders will also be expected to wear masks during times they are exposed to the general public, such as walking through the halls, travelling to the bathroom, breaks, or coming and going to work at the camps. The day camp leaders will not be required to wear a mask inside the room, just like the children they are part of the group of 10 in the camp and are part of our original opening plan, making them exempt from the mandatory mask rule, wearing a mask during the times listed above helps us keep our kids and staff safe, which remains our top priority in these times.

We thank all parents and guardians for their continued understanding and for following the public mandate.

For any questions please feel free to contact Jessy Casavechia at 902-464-5106 or at jessy@coleharbourplace.com
