MATES SILVER

Walking to 3 years: As a continuation of our mates programs, this level is directed towards children who are walking and up to 3 years of age. Children should already be comfortable being splashed and putting their face in the water. Along with standing jumps from the side of the pool, children will be introduced to gliding on their front and back, retrieving objects from underwater, and blowing bubbles with their face submerged. (Parent Participation)

Yes, campers go outside multiple times a day weather permitting. On days when there are heat warnings, the camps may spend less time outside.

DO YOU OFFER LUNCHES?

Yes! We offer hot lunches 1-2 times a week for \$5.00 each.

MY CHILD ISN'T A STRONG SWIMMER...

We have a coloured wristband system to help us identify campers who are not strong swimmers, okay swimmers, and great swimmers! Each day campers are given a wristband to wear so our camp staff and lifeguards know who many require extra help!

SUMMER CAMPS

IMPORTANT CAMP INFORMATION

All Camp Registration forms must be fill-out and **dropped off at the front desk at least two weeks prior** to your child's camp start date.

The purpose of this form is to gather contact and emergency information about your child(ren). It also provides us with important information about what we need to do to make sure your child(ren) has a safe and enjoyable camp experience.

Please complete the form to the fullest extent you can. It is very important to identify swimming ability and any other information we should know about your child to make their experience at camp better.

When we ask for your child(ren)'s swimming ability we are asking where they can comfortably manage themselves in the water and also where parents are comfortable letting them go. If the parents do not know the swimming ability of their child we have staff available who can give swimming assessments. The information sheet also lets us know of any medications/allergies we need to be aware of.

Quality Staff members are always our top priority.

All our day camp leaders have demonstrated leadership skills and experience working with children. We carefully select the best applicants based on their creativity, enthusiasm, and experience. We ensure all our staff members complete criminal background checks and are first aid certified. At CHP all camps have on-site supervisors responsible for staff management and the main contact person for parents and guardians. Our maximum staff-to-participant ratio is one leader to 10 participants. Ratios are generally lower as leaders-in-training and volunteers further reduce these numbers. Our specialty camps are led by experienced coaches and instructors who are knowledgeable in their fields.

INCLUSION SUPPORT

How do I know if an individual will require extra support?

When assessing whether a One-to-One Inclusion Support Person is required, please consider the following:

- Is extra support required at school and/or in the community?
- Is extra help required at home for basic care?
- Is there an existing physical, medical, behavioral, and/or developmental disability that could affect the safety and enjoyment of the participant and/or other participants?

What support CHP cannot offer:

Cole Harbour Place staff are not qualified to carry out procedures such as catheterization, tube feeding or assisted feeding, suctioning, injections, and/or managing aggressive behaviors. In these cases, we require families to make alternative arrangements. Any medications that are required must be taken independently by a child under the supervision of an Inclusion staff member. Participants must also be able to use the washroom independently.

OUR INCLUSION STAFF WILL

- Provide 1:1 support during regular camp hours 8:30 AM – 4:30 PM
- Swim each day with your child
- Make accommodations and adaptations specific to your child's needs to ensure they are fully included in Summer Camps
- Request daily communication check-ins from parents
- Report end of day feedback to parents

INCLUSION SUPPORT

INCLUSION is assuring that all people have the same opportunities to engage in meaningful experiences and build meaningful relationships. When these beliefs drive every aspect of programming, EVERYONE benefits – not only kids with disabilities, but also their peers, their families, your staff, and the community as a whole. It is our goal at CHP to offer a fully inclusive summer camp experience.
