"12.1.6 Registration Fees – Provisional Class Registration for Registered Nurses and Nurse Practitioners includes a fee remitted to CNPS for liability protection

(a) A provisional class registration entitles the registrant to work for 6 months for RNs and 12 months for NPs.

(b) once the registrant has met the conditions on their provisional class registration, they are moved to the corresponding class either General or Extended Class, with no further application fee payable.

(c) the RN Provisional Class registrant will pay the applicable fees for the General class, including the option to pay a partial year registration at the beginning of their provisional class registration.

(d) the NP Provisional Class registrant will pay the full registration fees for the Extended class registration irrespective of the time of year.

(e) when the RN registrant is ready to move to general class registration, the full year registration is payable, unless 12.1.6(f) applies.

(f) in the event that the RN registrant has already paid a full registration in the current registration year, no further fee is payable.

(g) when the NP registrant is ready to move to extended class registration, the full or partial year registration is payable, unless 12.1.6(g) applies.

(h) in the event that the NP registrant has already paid a full registration in the current registration year, no further fee is payable.
