

ARNPEI Strategic Plan (2017-2020)

Vision, Mission, Goals

VISION: Excellence in Nursing Practice: Integral Partners in Health Care

MISSION: ARNPEI is the professional and regulatory body for Registered Nurses (RN)/ Nurse Practitioners (NP) on PEI

- a. Professional:** To advocate and promote the role and development of RNs/ NPs in the best interest of the public
- b. Regulation:** To regulate nursing practice to ensure protection of the public

Goal #1: Enhance the understanding of the RN and NP roles within the profession, across the healthcare system, and among islanders

- 1.1 Develop and implement a plan to increase public awareness
- 1.2 Support and empower the RN/NP to fulfill their unique role
- 1.3 Facilitate the engagement of members with the association

Goal #2: Advocate for healthy public policy incorporating the principles of Primary Health Care to improve health outcomes of Islanders

- 2.1 Educate members and stakeholders on the impact of the social determinants of health and health outcomes
- 2.2 Facilitate the engagement of the RN/NP in public policy
- 2.3 Promote the RN/NP as leaders

Goal #3: Continue to enhance the quality of nursing practice

- 3.1 Maintain legislative/regulatory requirements
- 3.2 Promote an understanding of jurisprudence
- 3.2 Foster accountability for participation in the Continuing Competency Program
