## **Travel Benefits**

### *Clause 30.41 & 30.42 in your Collective Agreement*

You have access to funds for travel related to conferences and workshops outside of Dalhousie, on the recommendation of your Faculty Committee and approval of your Dean (or Chief Librarian or Provost for Librarians and Counsellors).

The travel fund available for all Members of the DFA increases each year of the agreement. For 2025-2026, the amount is \$896,211; for 2026-2027 it increases to \$925,338 and by 2027-2028, the amount is \$955,412. By March 1 each year, faculty-level committees learn how much of that fund is allocated to their particular Faculty for the upcoming fiscal year (April 1 – March 31).
