

**About the Mural Photo Project:**

The Dartmouth General Hospital Foundation invites you to participate in our mural photo contest to have your work chosen to be represented in our hospital! With Dartmouth General's \$150M Redevelopment Project well underway, new spaces will soon be opened. As part of the hospital's interior design for this project, murals will be installed in these new areas. Our community outreach team invites all members of our community to participate in the photo contest to select these murals and help shape the new areas of the Dartmouth General. There are 11 larger landscape murals in multiple waiting areas and hallways throughout the hospital. There are also 36 smaller portrait murals in patient rooms on our new 5<sup>th</sup> floor inpatient unit. We ask you to submit a piece that reflects the theme, "City of Lakes", a theme that embodies Dartmouth and showcases different local bodies of water. The Foundation, with help of a selection committee, will evaluate and determine which photography is chosen for each of the murals. If your work is chosen, your name will be recognized. We encourage everyone to submit a photo and help brighten the lives of our patients and visitors.
