Ingredients: Hemp protein powder

SUPER TASTY

You've never tasted hemp protein like this before. In fact, you'll hardly taste it at all. Our East Coast grown hemp's mild nutty flavour takes a backseat to the flavours in your favourite smoothie or baking recipes while packing a nutritious punch.

SUPER GREEN

We know that plant-based food is just better for the Earth, and hemp is one of the most sustainable crops on the planet. Hemp is a hearty annual crop that regenerates the soil, and it thrives without the use of harmful pesticides or herbicides.

SUPER FOOD

Hemp seeds provide more than 25% of their total calories from high quality protein. They are exceptionally rich in minerals and Omega 6 and Omega 3 essential fatty acids, and whole seeds are an excellent source of dietary fibre.
