One of Our Walks

We enjoyed an afternoon walk on the Old Coach Road Trail.

Latest Trail Work

A thank you to a helpful Volunteer. Richard noticed the work we were doing on the extension of the Mainland Common Loop Trail and has shown up several days to assist our work party.

On the subject of the extension, the bulk of the clearing has been done. With large rocks and vegetation out of the way that leaves the laying of gravel.

Work has been progressing smoothly, with the greatest labour necessary on the working of steep slopes into a less arduous incline.

Species of the Month
