Nova Scotia Guard

We know our trail members and volunteers are active in our community. If you are looking for other ways to contribute to your neighbourhood then check out the Nova Scotia Guard.

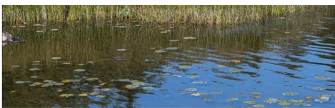

The Government of Nova Scotia is creating the Nova Scotia Guard to help the province during emergency situations and extreme weather events like wildfires, floods, blizzards, and hurricanes. The guard is a group of volunteers that's ready to support the province during and after an emergency.

The guard needs volunteers to help with general activities like delivering food and other essential goods, sorting donations, shovelling snow, helping in evacuation centres, and providing comfort and personal support to affected communities.
