

Halifax North West Trails Association (HNWTA) proudly announces a new sponsorship from local business Foot Solutions Halifax.

Foot Solutions is assisting HNWTA with increasing membership and spreading the word about the work that we do in the community.

HNWTA is a volunteer community trail group in Halifax Regional Municipality. Our trails offer a variety of experiences ranging from casual urban settings, natural environments, and even historic areas. Our love and knowledge of nature encourages us to be stewards for the environment while helping to connect community members through shared experiences and trails. www.halifaxnorthwesttrails.ca
