

Dear Family and Friends;

Hi from the Gill Family in Brazil. We have been here for about 6 months now. We had the opportunity to speak and sing at a youth conference in February, we are planning to do evangelism in communities around Sao Jose do Sabugi, and we started a youth Bible study on Saturday nights.

We have been helping the youth leader with the youth group, Jeanne is more involved in the youth, but I do some of the Bible studies. We are training them to do door to door evangelism. We got the opportunity to speak and sing at a youth conference. No Duane didn't do any singing, Jeanne and the youth worship team did some singing.

We are also still going to be working with Brother Betinho from Santa Luzia, this is the bigger town about 9 minutes from here. The church in Santa Luzia is changing pastors so we are waiting for the go ahead to start there. The plans for evangelism in the communities around us will be happening once we get the go ahead from the health system because of Covid. We have had some restrictions put into place in Brazil for gathering so the evangelism has been on hold, but we should be good to go soon.

The large evangelistic outreach planned for February was put on hold also, we are looking forward to getting going on this too, more details to come soon. We are still looking at getting speakers for doing street services, so we do not have to take the speakers from the church.

When we were prayed from the last Sunday in CCC Danniell and Dyllann were told that they were not coming to sit on the side line's but they would have an impact also; Danniell and Dyllann have made friends with non-Christians and have had a very positive impact on there friends. They have one friend that we are trying to put a video testimony together of a young man that lost his mom and lives in a bad home. This young man has given his heart to the Lord and is excited about God. I will also be putting his testimony on paper.

The girls are trying to keep the Instagram up to date and are going to be adding more pictures there. We will have some pictures attached and hopefully it works. :)

From our family here in Brazil, we love and miss you all.

God bless,

From the Gill Family

Philippians 4:4 Rejoice in the Lord always. Again, I will say, rejoice.

We hope you like the pictures; we will have more on our Instagram.
