Every year (if financially able), Ledwidge Lumber will award a graduating student(s) with a scholarship to their post-secondary school of choice, in memory of our Founder, Laurie Ledwidge. Special consideration will be given to those students who show a true entrepreneurial spirit and plan to grow a business. The following considerations will be taken into account when granting the scholarship in June of each year: Financial need, Academic achievement, Extent of community involvement, Leadership skills, Work history, Writing skills, and Achievements in particular fields.

Applications can be picked up at the main office and must be submitted by April 30th of the scholarship year.
