Temporary Visitor Restrictions

Dear Resident, Family member, and Friends,

Considering the local Covid-19 outbreak we have decided to restrict access once again to The Maples. As of the evening of Dec 9th The Maples will be closed to all but essential visitors, Caregivers, VON, and Community Health Care workers. Residents can leave for appointments etc. but we ask that they observe social distancing and mask protocols while out of the building. We expect this to be a very short interruption but until the local outbreak is over, we feel it is the safest measure to protect our residents. We will be reviewing the local situation daily and will provide updates as things change.

Thank you for your understanding and cooperation,

The Maples Management
