## Honda Built. Canada Tested.

Honda Generators are built for Canada's cold winter months. That's because every Honda Generator comes with Honda Cold Climate Technology™ to help prevent shutdowns in freezing conditions.

You never know what the winter is going to throw at you, but you always know that you can trust Honda quality.

## Extend Your Peace of Mind

HONDA

Plus

As a testament to their quality and reliability, all Honda Power Equipment products come with a distributor's warranty. With Honda Plus, you can extend your peace of mind further by choosing the extra coverage that best fits with your protection needs. Honda Plus Extended Owner Comfort is designed, administered and backed by Honda Canada Inc. Some restrictions or exclusions apply. For more information on warranty, please visit your local dealer or [powerequipment.honda.ca](http://powerequipment.honda.ca).

Selling price includes MSRP, Freight and P.D.I., and other applicable fees, less automatically applied rebates (if applicable). Price shown does not include applicable taxes. Fees may vary by dealer and/or province. Dealer may sell for less. Specifications subject to change without notice. At participating Canadian Honda Power Equipment dealers only. Dealer order or trade may be necessary. Models and colours may not be exactly as shown. Errors and omissions excepted. See your Honda Power Equipment dealer or [powerequipment.honda.ca](http://powerequipment.honda.ca) for full details. \*Based on Triline Canada independent market share analysis of portable generator units sold in Canada from June 2016–March 2022. Visit [powerequipment.honda.ca](http://powerequipment.honda.ca) to find your local dealer and enjoy great value.
