

NORWOOD

NEVER ORDINARY

To our valued customers,

◆ Norquest quoting software changes PK604:

➤ New Phelps DH lock option LKF14 has been added. (Note: only available on restoration or 9/16" square profiling same as LKF18).

- Polished brass (shown)
- Polished unlacquered brass
- Oil Rubbed Bronze
- Satin Nickel
- Polished Nickel

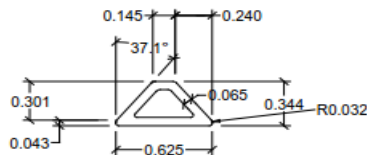

➤ Split finish with polyurea prime pricing has been adjusted.

➤ Jamb extensions, to follow industry standards, will now default to no round robin.

◆ Norclad products :

- ✓ Good news, our clad brochure is almost done and will be available soon on our web site.
- ✓ A new SDL bar option will soon be available to quote; 5/8" true putty.

◆ Norwood closure;

- ✓ The plant and office will be closed on Monday, February 18th, 2019 for Family Day.

Your Norwood Team
