

## **Jeanie MacIsaac**

Jeanie is a dedicated healthcare professional, earned her BScN from CBU in 2007 and her Masters of Nursing from Athabasca in 2019. With diverse experience in medical/palliative, leadership, critical care, and research, she specializes in renal nursing as a Nurse Practitioner. Jeanie supports the NSH Renal Program's conservative care clinic, renal dialysis, and serves as a LEAP Renal Facilitator. Outside of work, Jeanie cherishes family time with her husband JJ, daughters Brie and Kat, son-in-law Kenneth, and grandson Arlo, along with their beloved cat Dwight. Passionate about both healthcare and family, Jeanie's dedication to compassionate care defines her professional journey.
