

How to un-Spam NSLPS emails in GMAIL

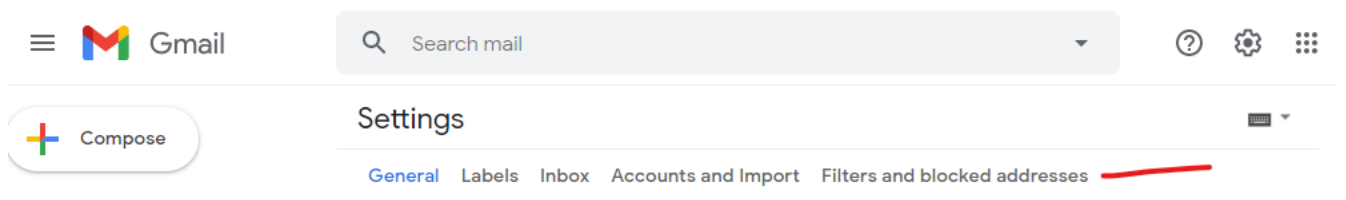

Go onto your Gmail account and click on the Settings icon (indicated by the red arrow):

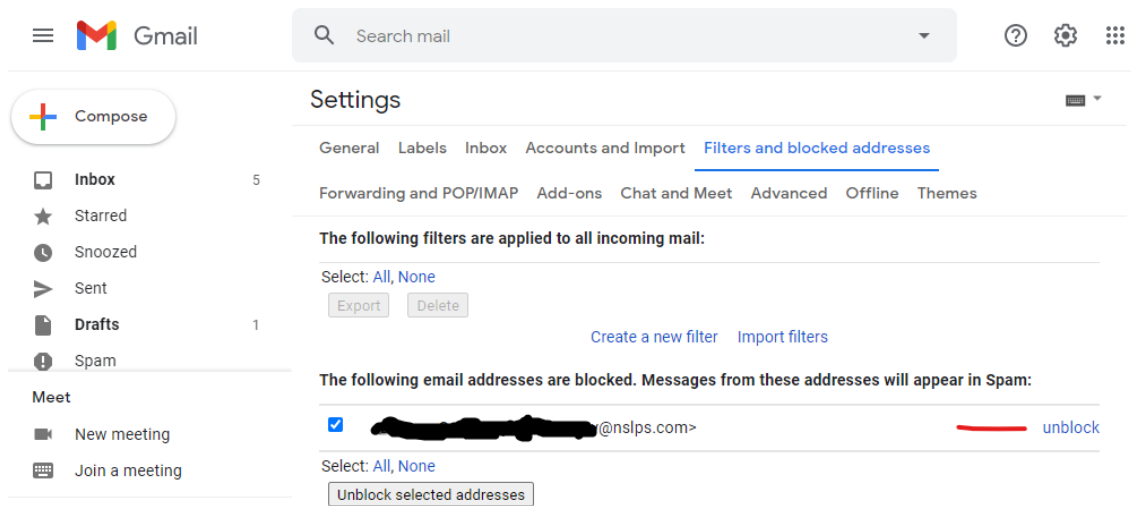

Click on “See all settings”:

Click onto “Filter and blocked addresses”:

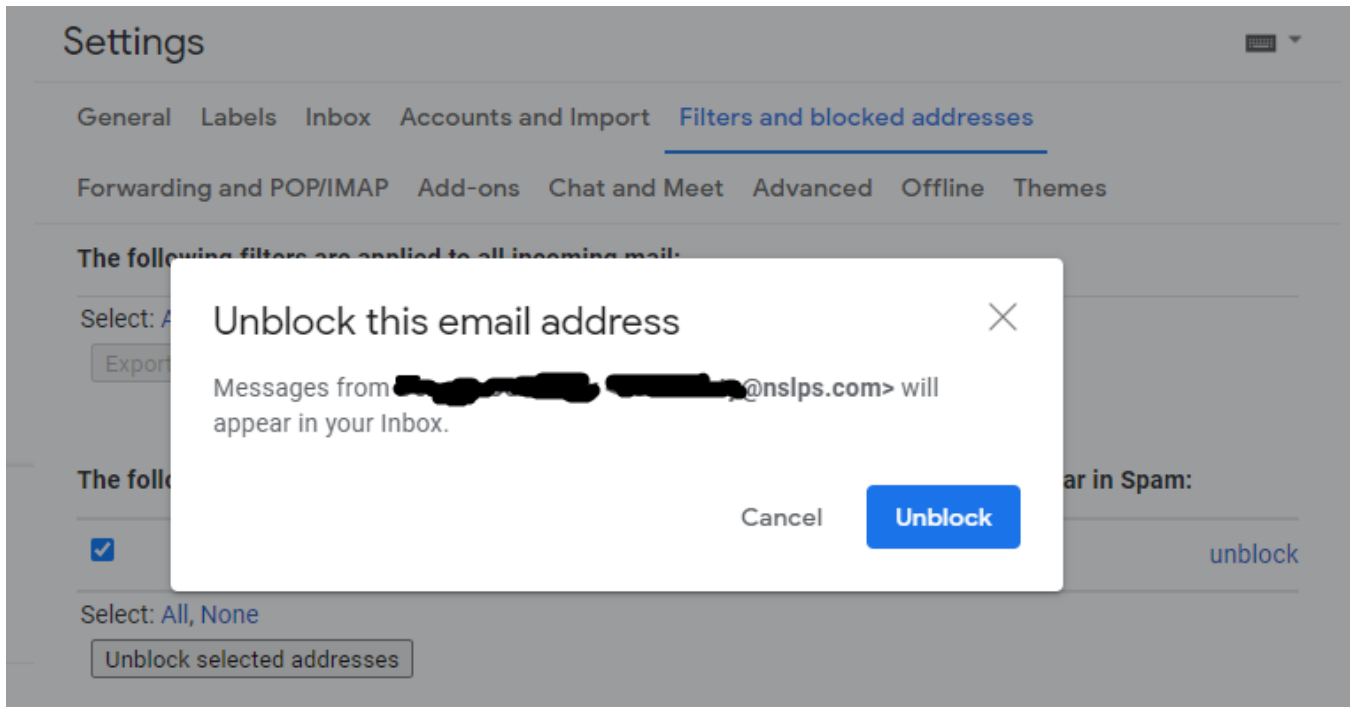

The following menu is displayed. Select member.info@nslps.com and click on “unblock”:

How to un-Spam NSLPS emails in GMAIL

You will get a new pop up to confirm that you want to unblock this address. Click on Unblock button:

You should get the message below marked by red line and should now receive NSLPS mail:
