

## ❖ Halifax City Local NSTU Side Hustle & Small Business Guide

Halifax City Local NSTU is proud to support the diverse talents of our members. This guide showcases side hustles and small businesses run by educators, specialists, and retirees — from tutoring and translation to baking, photography, and design. By sharing and supporting each other's ventures, we strengthen our union and community. They are listed by category. As the list grows the formatting may change. I will update it monthly so please send in your details!
