Issue 5/October 6, 2025

Message From the President

I want to wish every one of you a Happy World Teacher Day and to reinforce that educators have one of the most important roles in this world. I have been so impressed with the amazing work you do with not enough resources and too little time. I hope you join the executive on October 8th from 4-6 to celebrate you with a drink, appetizers and prizes. You all play a vital role in advancing our society forward.

See you soon!
