September 8, 2025 Halifax City Local NSTU Weekly Register

MESSAGE FROM THE PRESIDENT

Last week, Halifax City Local NSTU members prepared to greet new students despite the challenges. Some of you faced ongoing construction, scheduling conflicts, lack of resources, class lists that are already pushing the cap limits and you made it work. I was happy to hear from some of you seeking some advice and/or advocacy. I am here to serve you. Please ALWAYS use non-employer email and update your email on the member registry.

Thank-you to members who stepped up to rep their schools. Please fill in the **rep/alternate information form** on our new website. <https://www.halifaxcitylocal.com/> I also added a form for members to request a **school visit**. I can come to your school site before school, lunch or after school. I can help with your member registry, talk about benefits of NSTU membership, listen to your concerns and help troubleshoot problems. Wishing you all a wonderful week. Please reach out via the website, email: halifaxcitylocal@nstu.ca or cell: 902-497-9254

HALIFAX CITY SHOUT-OUT

Weekly Shout-Outs

Each week, I will highlight a member(s) who has accomplished something remarkable or recognize NSTU school staff to show appreciation and offer a little treat. Please email me your nominations. You are ALL amazing, but this is a way to get to know our members and to acknowledge them.

This week, I want to give a shout-out to the Halifax City Executive, who dedicated several summer days to plan for our members. Our volunteers contribute to various efforts, including communication and events such as the Labour Day parade and Retirement Dinner.
