## PRESIDENT'S MESSAGE:

As the 2024–2025 school year comes to a close, I want to take a moment to reflect on what has truly been a meaningful and inspiring year. Over the course of the year, I had the opportunity to visit 35 schools across our County, meeting with members, listening to your experiences, and learning more about the diverse realities of our classrooms and school communities. These visits were some of the most valuable moments of my year, offering a chance to connect, share, and strengthen the sense of solidarity within our Local.

I have learned so much through these conversations—about your challenges, your successes, and your unwavering commitment to students. I am genuinely thankful for the support, questions, and encouragement I've received along the way. Your openness and engagement—whether over email, on the phone, or in person—have made this experience incredibly rewarding.

I also want to take the opportunity to thank the 2024–2025 Local Executive, who work tirelessly on your behalf advocating for your rights, keeping you informed, and ensuring your voices are heard.

And finally, to you—the Reps and members. It takes all of us to keep our Local strong and your leadership is a big part of that. You show up, ask the important questions, offer support, and keep your schools informed. We couldn't do this work without you, and I am endlessly grateful for your time, energy, and commitment.

County - thank you for the incredible opportunity to represent you. It has been an honour to serve as your Local President, and I look forward to continuing this important work together in the coming school year.

Wishing you all a restful and well-deserved summer season filled with sunshine, relaxation, and plenty of time to do whatever makes you happiest.
