

# Stay Connected with NSTU!

Update Your Preferred Email & Access Your Member Registry

## Step 1: Log Into Your NSTU Account

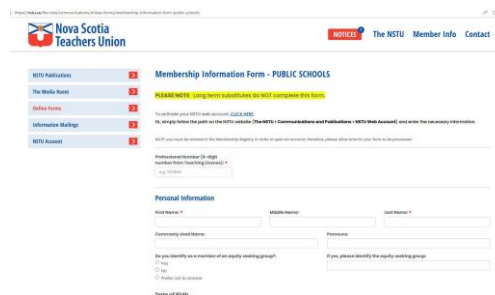

- Visit: <https://nstucentral.ca>
- Enter your NSTU username and password.

First time user?

Activate your account at <https://nstu.ca/NstuAccounts/Signup>

You will need your NSTU professional number.

## Step 2: Update Your Preferred Email

- After logging in, go to 'Edit Profile' and click 'Personal Info'
- Enter your personal (non-employer) email address under 'Preferred Email'.
- This ensures you receive important NSTU updates and memos.

## Forgot Your Username or Password?

- Password Recovery:

Go to <https://nstu.ca/ ForgotPassword> and enter your email. If your account does not have an email associated with it, send an email to [webaccounts@nstu.ca](mailto:webaccounts@nstu.ca) with your professional number and a description of the issue to request a manual reset. Be sure to use a non-employer email!

### Reset Your Password

Enter your email address to receive a verification link.
