

Announcement to Membership

It is with a mixture of regret and pride that we are announcing the departure of Assistant Head Coach, Christian Hall.

Christian has contributed greatly to Senobe over the past several years, helping to develop many individual athletes and leading Senobe to success in war canoes both locally and nationally. His outstanding work ethic had him putting in countless hours with our young athletes, helping them hone their skills and increasing their love of paddling. Unfortunately for Senobe, other clubs have taken notice of this outstanding young coach and Christian has accepted the position of Head Coach at the Pisiquid Canoe Club in Windsor, NS. Though we are sad to see him go we are proud that he is taking the next step in his career as a coach.

I'm sure you will all join me in wishing Christian the best in his new role.

Christian has agreed to continue running the winter program until Rob returns from Florida. We are currently considering our options for a permanent replacement and hope to be announcing that in the next several weeks.
