Instructions:

1. Heat up the hot glue gun. Glue together two mini craft sticks and two regular craft sticks to make a rectangle.
2. Glue one more regular craft stick along the middle section of your rectangle. Glue three more mini craft sticks across the rectangle, all on the same side as each other.
3. Turn your rectangle over and glue four more mini craft sticks across the rectangle. Position them so they offset the mini craft sticks on the opposite side.
4. Thread a ribbon through the top section of the rectangle and secure the ends in place on the back of your Easter basket craft with your hot glue gun. Thread a second piece of ribbon through the bottom half of the Easter basket and secure the ends in place on the back of the basket.
5. Glue a piece of ribbon on the back corners of the Easter basket for a handle.
6. Cut five or six small eggs out of the paper or cardstock and decorate them with your markers.
7. (Optional) Glue some small pieces of green yarn along the back of the basket for Easter basket grass.
8. Finish your mini Easter basket craft by gluing your decorative Easter eggs on the back of the basket.
