CRAFT TIME:
String Easter Egg

MATERIALS:

- Mod Podge matte
- 12" balloons
- Multi coloured yarn
- Sponge paintbrush
- String

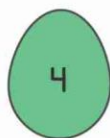

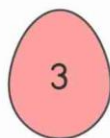

INSTRUCTIONS:

1. Blow up your balloons until they are about 6 inches high. You can choose to blow them up smaller or use bigger balloons to make bigger eggs.
2. Cover the balloon with mod podge using your sponge paintbrush.
3. Use your yarn straight off the roll and tie a little bit to the balloon and knot it on top to anchor it. Wrap the yarn all around the balloon making any design you like. When you feel you have wrapped it enough, cut the end of the string and wrap it under another piece.
4. Dip your sponge in the mod podge and GENEROUSLY dab it all over the string, make sure you cover it REALLY well.
5. Let it dry for about 24 hours. It needs to be really really dry.
6. Once dry, pop the balloon with a pin and take out the deflated balloon from your now hollow egg.
7. Cut a length of string and string it through the top of your egg so you can hang it. You can do different lengths of string or multiple eggs on one length. The choice is yours!
