Instructions

1. Cut 1 strip of red, orange, yellow, green, and blue cardstock.

5. Take a strip of black cardstock, add glue, and place around the bottom of the cylinder. Glue a gold cardstock square on top of the black strip.
6. Take a piece of your black cardstock and cut out a pot shape. Then glue cut-out gold circles on top the pot.
7. Cut 1 more black strip and loop it through the blue chain then glue both ends to the back of the pot.
