CUPCAKE LINER POPPIES

Materials:

- Red cupcake liner x 2
- Scissors
- Sticky tape
- Black pen
- Green craft stick

Instructions:

1. Invert the red cupcake liners and roughly cut them to create petals of a flower.
2. Make one cupcake liner smaller than the other as this will ensure all the petals are visible when constructed.
3. Stick the cupcake liners together using some sticky tape
4. Draw a rough star shape in the middle of the other cupcake liner to create the middle of the flower.
5. Simply secure a green craft stick to the back with some masking tape and you're done!
