## Craft Time

### Materials

- Tissue Box
- Colored acrylic paint
- White acrylic paint
- Googly eyes
- White cardstock
- Large pom poms
- Black sharpie or marker
- 1 popsicle sticks
- Craft knife
- Glue

### Instructions

1. Pull out any plastic inner lining inside the tissue box before you start.
2. Paint the outside of the tissue box with white to prime the box. Adding white will make sure the design of the tissue box doesn't show through the paint.
3. Once dry, paint the outside of the tissue box a color of your choice, and paint the inside a different color.
4. Outline around the "mouth" of the monster (the opening of the tissue box) with a black marker. This will make the mouth pop more.
5. For the purple box, cut 1 popsicle stick in half. Paint the pieces purple and let them dry. Glue 2 small googly eyes to the sticks. Make a small slit mark at the top of the box with the craft knife to push the sticks in.
6. Glue large googly eyes to the top of the tissue box. You can add one, two, three or more eyes!
7. Cut out large teeth from paper or white cardstock. Glue the teeth to the inside of the tissue box mouth.
8. Decorate your monsters a bit more by gluing some large pom-poms to the top of the tissue boxes.
