Instructions

1. Cut the middle of the paper plate out leaving a “wreath”

5. Once the cupcake liners are glued to the “wreath” add “Happy Halloween” to the top with your marker, or a favorite Halloween saying.

HALLOWEEN SAFETY TIPS

- ✓ Plan your trick-or-treat route ahead of time. Pick streets that are well lit and have neighbours that you know.
- ✓ Take a parent, or an older sister or brother with you when you go trick-or-treating. If someone older can't go with you, then go with a group.
- ✓ Trick-or-treat when it is still light outside, if possible.
- ✓ Wear a costume that makes it easy for you to walk and can be seen after dark.
- ✓ Carry a flashlight and use reflective tape on your costume so that people driving cars can see you.
- ✓ Do not eat your candy until you get home and an adult can check it over to make sure it's safe.

Help the pumpkin find its way through this haunted maze!
