## CRAFT TIME

### Paper Plate Easter Sewing Craft

#### Supplies:

- heavy duty paper plates (color, style and size of your choice)
- scissors
- hole punch
- pencil
- yellow yarn
- black buttons
- orange and yellow felt
- hot glue gun
- tape

#### Instructions:

1. Draw an egg shape on the back of your plate with a pencil. If you are making more than one plate – make a template of the egg.
2. Poke your scissors into the centre and cut out the egg shape.
3. Use your hole punch to punch holes around and close to the egg shape.
4. Cut off several yards of yellow yarn – about 10 feet for the smaller plate and about 12 feet for the regular plate.
5. Tape one end of the yarn to the back of the plate and tape the end of the opposite yarn to prevent fraying when sewing it through the holes.
6. Sew your strand of yellow yarn through the holes on your paper plate – you can go up, down, side to side and diagonal. When you reach the end – tape the strand to the back of the plate.
7. Cut out two wings from the yellow felt and a beak from the orange felt.
8. Heat up your glue gun (let an adult do this part) and glue the wings, beak and the black buttons for eyes.

## EASTER COLORING

## EASTER FUNNIES

**Why shouldn't you tell an Easter egg a good joke?**  
It might crack up!

**How does the Easter bunny stay in shape?**  
Lots of eggs-ercise!

**Why did the Easter egg hide?**  
He was a little chicken.

**Why did the rabbit cross the road?**  
Because the chicken had his Easter eggs.
