

COVID-19 Gymnasium Guidelines

(As of April 7, 2021)

The safety and health of our staff and customers are of the utmost importance. Be assured that we have been closely following the recommendations of Public Health. To help stop the spread of COVID-19 we have implemented several new measures for the gymnasium.

All participants must follow the [Provincial Public Health Guidelines](#). Participants must also abide by the regulations of their respective sport governing body. **Participants not following these regulations will be at risk of losing their rental time for the entire group, including future rentals.**

These are additional conditions to the standard Sportsplex rental contract.

ENTERING THE FACILITY

All participants are required to check in at the Welcome Desk when entering through the main entrance. Please provide the group name that the rental is listed under.

Spectators are not permitted at this time.

Participants will be allowed to enter the building 10 minutes prior to the start of their rental and must leave immediately following their rental. Extra time is needed between each rental for staff to disinfect the area.

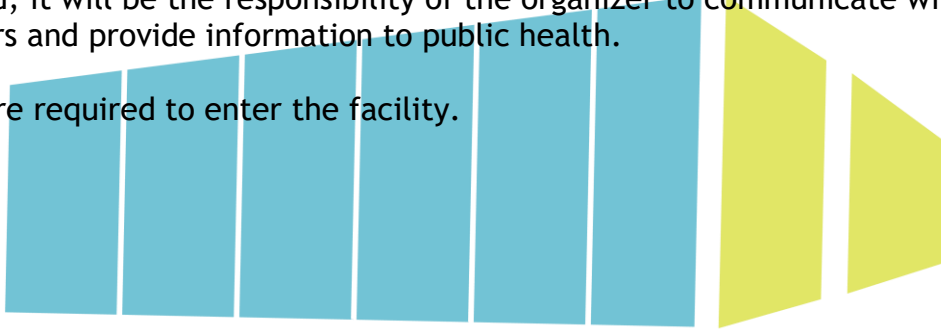

We kindly ask that groups meet outside the building first and enter together.

Participants who are 12 years of age and younger can be accompanied by one guardian if needed. Participants ages 13 years and older are encouraged to enter the gymnasium without a guardian. The guardian is **not** permitted to stay in the facility while the participant is on the court, unless they are in a group rental that includes the parent or guardian.

Participants will need to come dressed in their equipment and leave dressed in their equipment (excluding indoor shoes).

For contact tracing purposes, each rental group is required to have a list of participants with their contact information for each rental time. If contact tracing is required, it will be the responsibility of the organizer to communicate with their members and provide information to public health.

Masks are required to enter the facility.

- You must be wearing a mask when you enter the Sportsplex. If you are not wearing one, you will not be allowed to enter.
- You can take your mask off after you have entered the gymnasium.
- After your rental is complete, you must put your mask on before you leave the gymnasium and wear it until you have left the building.
- Masks must be worn whenever you are leaving your rental area (in the washroom, in hallways, etc.)
- People with medical conditions that restrict them from wearing a mask are exempt.

FACILITY RESTRICTIONS

Please follow all directional signage as posted.

A maximum of 75 participants are allowed without social distancing for each rental. This includes all players, coaches, instructors, referees, timekeepers, etc. This applies to practices, competitions, and recreation leagues for organized physical activity. 5-on-5 play is now permitted for these groups. Unorganized or casual games, that are more social in nature, like pickup games or parties, must adhere to gathering rules of small groups of 10 without physical distancing.

For casual groups such as a party, a maximum of 10 participants are allowed for each rental.

You must bring your own equipment (e.g. basketball, racquets, pickleballs).

The sharing of water bottles and equipment is prohibited. Water bottles must be filled at home and labeled with your name.

Any required nets will be provided and set up by Sportsplex staff.

If you have not rented the entire gymnasium, please contain your activity to the section you have rented.
