

ZSP COVID-19 Gymnasium Guidelines

(Phase 4 - July 14, 2021)

The safety and health of our staff and customers are of the utmost importance. Be assured that we have been closely following the recommendations of Public Health. To help stop the spread of COVID-19 we have implemented several new measures for the gymnasium.

All participants must follow the [Provincial Public Health Guidelines](#). Participants must also abide by the regulations of their respective sport governing body. **Participants not following these regulations will be at risk of losing their rental time for the entire group, including future rentals.**

These are additional conditions to the standard Sportsplex rental contract.

ENTERING THE FACILITY

All participants are required to check in at the Welcome Desk when entering through the main entrance. Please provide the group name that the rental is listed under.

Spectators are not permitted at this time.

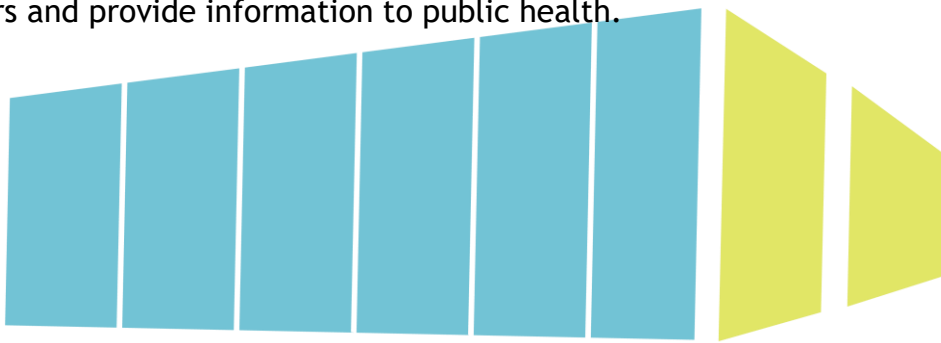

Participants will be allowed to enter the building 10 minutes prior to the start of their rental and must leave immediately following their rental. Extra time is needed between each rental for staff to disinfect the area.

We kindly ask that groups meet outside the building first and enter together.

Participants who are 12 years of age and younger can be accompanied by one guardian if needed. The guardian is **not** permitted to stay in the facility while the participant is on the court, unless they are in a group rental that includes the parent or guardian.

Participants will need to come dressed in their equipment and leave dressed in their equipment (excluding indoor shoes).

For contact tracing purposes, each rental group is required to have a list of participants with their contact information for each rental time. If contact tracing is required, it will be the responsibility of the organizer to communicate with their members and provide information to public health.

Masks are required to enter the facility.

- You must be wearing a mask when you enter the Sportsplex. If you are not wearing one, you will not be allowed to enter.
- Only medical and non-medical facemasks will be accepted at the Sportsplex. Bandanas, neck gaiters, balaclavas, clear plastic mouth shields, or items of clothing tied around the face will **not** be accepted. Face shields do not replace facemasks.
- You can take your mask off after you have entered the gymnasium.
- After your rental is complete, you must put your mask on before you leave the gymnasium and wear it until you have left the building.
- Masks must be worn whenever you are leaving your rental area (in the washroom, in hallways, etc.)
- People with medical conditions that restrict them from wearing a mask are exempt.

FACILITY RESTRICTIONS

Please follow all directional signage as posted.

There is a maximum of 25 people allowed in an organized sports group indoors without social distancing. This includes all players, coaches, instructors, referees, and timekeepers. Multiple groups are permitted depending on the rental but groups must remain consistent and at least 6 feet apart from each other at all times. Games are now permitted. Tournaments are permitted if they're run by or affiliated with a provincial sport organization and follow their Return to Sport Plan. Unorganized or casual games, that are more social in nature, like pickup games or parties, are allowed a maximum of 25 people for each rental.

You must bring your own equipment (e.g. basketball, racquets, pickleballs).

The sharing of water bottles and equipment is prohibited. Water bottles must be filled at home and labeled with your name.

Any required nets will be provided and set up by Sportsplex staff.

If you have not rented the entire full gymnasium (North and South), please contain your activity to the section you have rented.
