

Artist's Alley Application Form

Interested in showcasing your art on Artist's Alley at the Zatzman Sportsplex? We love to celebrate artists in our community by featuring their work and a short artist's bio.

Please note:

- You can post prices on or beneath your art. We're unable to facilitate sales but you can share contact information for anyone interested in purchasing.
- While we appreciate art in all its forms, Artist's Alley is for family-friendly pieces. This means we're unable to share art that features nudity or profanities.
- Art stays up for one month – you're able to come in any time during business hours to install your art then are asked to come in before the last day of the month to take it down. Please coordinator installation and tear down times with Elizabeth, as she holds the showcase key.
- Please no tape or sticky materials in the art case (i.e. please don't stick prices to the showcase).
