w/Hsd Italian Spindle

### Available Accessories:

- Safety Enclosure for Prodigy Series
- Dust Collection Attachment for Prodigy Series

- Laser Engraving attachment for Prodigy Series
- Heavy Duty Machine Stands for Prodigy and Professor Series

CWI Woodworking Technologies have introduced some of the most advanced CNC routers available today. Models are featured for hobby work, educational training, as well as full on commercial woodworking applications. Both the Prodigy and Professor series of CNC routers

have been designed with Education and Hobby applications in mind. From the 6" X 8" Prodigy up to the 24" X 36" Professor HDX, these machines are built heavier and with higher quality components than any other machines in their class.

Basic 4.4 48" X 48" CNC Router w/4.5 HP HSD Italian Spindle

Basic HD "Vac Ready" 48" X 96" CNC Router w/4.5 HP  
HSD Italian Spindle

Basic 4.8 48" X 96" CNC Router w/4.5 HP HSD Italian Spindle

Basic HDX "Vac Ready" 48" X 96" CNC Router w/6 HP  
HSD Italian Spindle

## All CWI CNC Routers are Fully CSA Certified for use in Canada

The "Basic" series of CNC Routers are designed to meet the needs of Sign Makers, Educational and light Commercial users with fully welded

heavy steel frames in 4' X 4' and 4' X 8' working areas with black anodized aluminum tables or optional vacuum tables.
