

## Rehearsals & Performances

- For formal events, proof of full vaccination is required for all for people who are 12 or older.
- People with a valid medical reason that prevents vaccination can get an exception letter from their physician or nurse practitioner to show instead of proof of full vaccination.
- Proof of full vaccination is required for **all volunteers**.
- Social distancing is no longer required at events hosted by organizations or businesses (including rehearsals, workshops, performances, classes, etc.)

## Audiences / Attendees

- Organizers must have a COVID-19 Prevention Plan (Government of Nova Scotia reviews plans for large venues).
- Masks continue to be mandatory in indoor public places.
- Children who turned 12 between January 1 and October 4 this year will have until Dec. 31 to attend events and activities while they get vaccinated; children who turn 12 after October 4 will have three months from their birthday.
- Youth who are 13 to 18 years old and have proof that they received one dose of vaccine can participate in sport, recreation, arts and culture programming and have until October 26 to get their second dose.
