

## **DramaFest 2021 Media Release**

DramaFest 2021 is a week long drama festival taking place between May 25<sup>th</sup> – May 28<sup>th</sup>, 2021, offered to secondary schools, community centres and drama groups across Nova Scotia/Mi'kma'ki. DramaFest 2021 will all take place online. At the discretion of the teacher, student productions and other video submissions may be recorded and submitted to DramaFest 2021. In submitting productions/digital content, you are giving consent for the any or all of the recordings to be played online as part of DramaFest 2021. By signing this agreement, the approved school representative and/or teacher supervisor confirms they understand that DramaFest 2021 often uses images from events to share on our social media platforms and website for the purpose of sharing our experiences and continuing to build excitement around theatre education. DramaFest 2021 no longer distributes a media release form for parents to sign as schools already collect one each year and as an extra-curricular activity we are thus included as part of the school's media release. As the School Representative and/or Supervisor for the school/community group listed below, I understand and agree to these terms.
