

Stage Manager Award Nomination Form

Nomination Period: January 1- December 31

As with the jury-evaluated award categories, for performance, design, and direction. TNS wants to be sure that technicians are equally considered. This is an annual award and technicians are eligible annually for their work on current productions.

TNS asks directors, producers, cast-members, and fellow crew members to put forth Technician nominations and ensure their colleagues are recognized for their valuable contribution to the success of the work featured onstage.

Please share the contribution the Technician made to the success of a professional show produced in Nova Scotia.
