

MariTIME Machines

S4E1 • COAST GUARD

Fishing out of Cape Sable Island in the winter can be one of the most dangerous occupations. Commanding Officer Jon Smith shows us the capabilities of the 2023 CCGS Bais des Chaleurs.

S4E2 • ARGO

Cape Breton Search and Rescue is home to a 2010 ARGO Frontier because of a lost little boy. Greg O'Flaherty tells us how community came together to help get people home.

S4E3 • SKULL CAR

Tony Roy has a knack for building custom motorcycles in his shop in Brooklyn. And he carries around a very special bike in his 1942 International Panel Truck, a tribute to his brother.

S4E4 • CHOPPER

Kitpu Aviation is the first majority owned Mi'kmaq aviation company in Canada. Ex-RCAF pilot Matt Wallace flies over the highlands in a 2000 Bell 407 Helicopter with VVIP interior.

S4E5 • WOODY WAGON

Laurent d'Entremont and his 1931 Ford Model A Woody Wagon are full of stories and history in West Pubnico. They don't make them like this anymore. Ever wonder where the term "station wagon" comes from?

S4E6 • DATSUN 300ZX

Ross Parks has built a collection of cars and car memorabilia at his Datsun North ranch in North Alton. And he shows us his all original 1992 Datsun 300ZX survivor – the Corvette killer.

S4E7 • FLOAT PLANE

Jerry Wilkins grew up in Newfoundland and his dad had a float plane. And now he shares that experience with others in his own 1960 Cessna 175 on Lake Williams.

S4E8 • DUNCAN F100

Rick Gautreau's 1975 Ford F100 Ranger has been with him since new—bought to haul gear for his band and still on the road today. Last fall, he threw Duncan a 50th birthday bash in Dartmouth.

S4E9 • ACCESSIBLE VAN

Darrel MacDonald has the freedom to get around with his 2024 Chrysler Grand Caravan. But the former firefighter says independence doesn't always come easy around HRM.

S4E10 • ARFF

Airport firefighting requires fast, all-weather rescue vehicles. Steve Binder shows us an amazing Rosenbauer Panther 4X4 Fire Truck at JA Douglas McCurdy Airport.

S4E11 • EV BOAT

Who says electricity and water don't mix? Dan Baker electrified a snowblower, a "small wharf" and his 2013 EV Sylvan Pontoon Boat in Timberlea.

S4E12 • SNOW GROOMER

A million-dollar view from the slopes of Ski Wentworth. Thor During tells us what the million-dollar 2024 Prinoth Bison X does. And Calvin Tattie shows us how a Snow Groomer works.

S4E13 • ULTRALITE

From Fly Away Home to flying from his Lunenburg County home. Pilot instructor Christopher Ball takes to the skies in his Merlin EZ Flyer II open air kit plane.
