Student Minister Shannon MacLean

CONGREGATIONAL FEEDBACK

Woodlawn United is honoured to be supporting and supervising Shannon MacLean as a candidate for ordination with the United Church of Canada. As a student minister, Shannon has identified areas for growth that will help her to be a better minister. The most helpful feedback will reflect back to her efforts and competency in these five learning goals:

1. Effective and engaging sermons
2. Supportive end of life care pastoral ministry
3. Supportive pastoral care for seniors
4. Positive maintenance of congregational relationships
5. Reflective experiences of the Sacraments

Feedback should be specific. For example:

- "I not only appreciated Shannon's visit for the company, but because I felt comforted (*in this way*). . . "
- "I did not like Shannon's sermon on *DATE*, because I found it hard to follow. I did not understand the references to the scripture, *etc*"

If you have feedback on Shannon's ministry, please share it on the reverse and put it in the church box found beside the welcome table in the lobby. **Anonymous feedback will NOT be considered**. All feedback will be shared with Shannon. If you would prefer to email your feedback, please email Teri Giannou at tgiannou@herculesslr.com

Many thanks for your support and prayers for Shannon, on behalf of her Lay Supervision Team:
